Key discussions:

- 1) Tomorrow is picture day, please bring your team suite. Emel to send a pic of the order form to have pricing information just in case you did not receive it.
- 2) The t-shirt and sweatshirt order was finalized tonight. The girls have been able to order with Meghan and Liz all week. Becky Racine (Treasurer) is going to pay for the shirts up front so it would be greatly appreciated if you can go ahead and pay for your order. She can accept a personal check, cash or venmo. (T-shirts are \$23.00 and Sweatshirts are 28.00 if you ordered your name on the back) No option for names on the t-shirts.
- 3) For all home meets the PPP will provide drinks and snacks for the team. For all away games I will send out a sign up for all away meets with instruction on delivery.
- 4) Beautify Bonney Lake is on Saturday, September 21st--Time to be determined, this is a volunteer event that we participate in as a team. Drop off and pick up will be at the ride and park by sky island.
- 5) Pack the Pool is on Thursday, September 26th--this is our first home meet, pizza will be provided for the family and the team.
- 6) Another big fundraiser for the team will be on Saturday, October 5th at Applebee's for a pancake breakfast. This is an ASB fundraiser so the girls will need to work at this event, parents can sign up to work it as well. ALL students will need a signed off waiver in order to participate, so please get your waiver signed as soon as possible. The time for the event is from 9:00 to 10:30 for breakfast, pick up and drop off times for your child will be different. This will be a fun time for the girls as well as family time. Tickets are \$10.00 each and any unsold tickets have to be returned. Please invite family, friends and neighbors and sell as many tickets as possible.

The PPP is looking forward to getting to know you. If you have any questions please feel free to reach to us. Thank you for all of your support!!
