October 4, 2019

Addendum to September 2019 Meeting Minutes:

The board has voted and approved the overages for pack the pool pizza as per receipt in the amount of \$152.25. We did not use the 100.00 we allocated for the first end of week one practice as parents came together and provided food items. Since we did not use that money we can apply it to pack the pool to pay for overages.

The Board previously voted to approve \$140 towards team shirts.

The Team Captains bought paint to paint the rock as a team and this was voted on to be covered by general funds. Total for rock painting supplies was \$14.36 from Lowe's.
