### **Fundraising for 2019-2020 School Year:**

Fireworks stands- largest income earner for last season

- Girls Swim will participate this year as well

- Emel will meet w/Christina, and let us know when a volunteer schedule is available

Also discussed possible events with Applebee's, and Red Robin in the future. Becky suggested we may want to think about doing a 50/50 raffle, and/or raffle off donated baskets from local businesses.

Emel will contact Coach Turner to see what equipment (caps, parkas, etc) or items the team may need for the next season. We will then determine a budget for these items.

We would like to provide snacks for meets as well.

### **Team Shirts:**

Interest was expressed in designing new shirts for the Team and parents to wear. Becky suggested Sports Connection as a possible vendor.

**Team Captains:**

Captains will select new Team swimsuit options this summer, and present them to the Team.

**Pre-season optional conditioning at the YMCA:**

Girls were able to use the Y pool last year before team practices started free of charge. Tammy will contact the Y to see if this is will be an option this summer too.

**May PPP Meeting:**

Emel will attend for Swim.
